11th February, 2010

To all Gymnastics SA & Victorian GA clubs,

We would like to invite your gymnastics club to our Annual WAG Level 1 to 10 and MAG Level 1 to 7 Invitational Competition which will be held at our Club on **Saturday 10th April, 2010.**

An Open Training session will be held on Friday 9th April and Clubs can **book** in for a 1 hour podium training sessions from 1pm to 5pm.

Clubs will be notified of competition times after entry closing date. The successful running of the competition relies on having enough judges to officiate, so all Clubs are requested to supply one (or more if possible) judges per level of entries. As we are now paying our judges for each session that they officiate at, clubs that do not supply judges will need to pay \$20 for each session that they compete in without supplying a judge. Any extra judges that would like to officiate at our competition can contact Sam Fensom.

A canteen selling hot and cold food and drinks will be operating during the day of competition.
